AMAZING SUPPORT

Our UK support team goes the extra mile. Don't just take our word for it, see our FEEFO reviews!

Buy more pay less

Additional **discounts of up to 20%** when you buy by the pallet. Look out for Bulk Buy grids in each section, search 'bulk buy' or wbc.co.uk/pallet. For regular multiple pallet orders please contact us on **020 7737 9500** or email sales@wbc.co.uk for prices tailored to you.

Setting the bar high

Whilst the vast majority of our products have a high recycled content and are 100% recyclable, we have picked out the very best of them to be flagged with our "eco" icon. These products are made from at least 70% recycled material and are 100% recyclable. Look out for this logo online and in our brochures.

Great care has been taken to ensure pricing, descriptions, specifications, images and colour representation of all items are accurate at time of going to press however these are subject to change without prior notice.

Prices in this brochure are exclusive of VAT

Bottle & can transit packaging

Since 1989, WBC has been the UK's packaging expert, supplying the drinks trade with a complete solution for sending beer, wine and spirits with confidence. Whether you're a mail-order retailer, sending bottles for corporate gifting or delivering locally, WBC's range of transit outers ensures your products arrive safely & securely every time.

Find the right level of protection for your bottles

With options for every budget, our guide breaks down the different levels of protection & sustainable options that give your bottles maximum protection in transit.

High-level protection

Polysafe

SafeAir

Pulpsafe

BEST USE:

- Rare & high-value wines
- Carrier hub network
- International airfreight

The most robust transit available

Strong as polystyrene without the bulk

The 100% eco-friendly option

Mid-level protection

Reinforced

Mailsafe

Flexi-Hex

BEST USE:

- National courier network
- Conveyor sorting systems
- Most distribution requirements except high-value wines

Extra strength at a budget price

Space-saving eco friendly alternative to Polysafe

Turn transit packaging into a gift

Low-level protection

Repacking

Budget

BEST USE:

- Repacking mixed cases in store
- Customer carry out
- Local deliveries

Entry-level transit with minimal protection

Value packaging & top 10 bestseller
